SUN 28TH JULY INTERNATIONAL BOG DAY

International Bog Day walk along the forest and river trail at An Creagán to look for meadow pipits and skylarks, as well as lizards and emperor moths, with Ulster Wildlife's Peatland Team. Hear about the glacial and prehistory of the landscape and how peatlands have formed, as well as our plans to turn the forestry plantation back into bog.

THUR 1ST AUG MEET THE ARCHITECT

Join us in An Creagán for a zoom session with **Architect Richard Pierce** at 7.30pm as he delivers a presentation on the process of design and engaging with the local community in the developing of An Creagán. Unable to attend in person, drop us an email to info@ancreagan.com for link.
